

THE HACSA SUMMIT

LEGACY • COMMUNITIES • INNOVATION

ABOUT THE HACSA FOUNDATION

WHO WE ARE

The Heritage and Cultural Society of Africa Foundation - HACSA Foundation, is a non-governmental, nonpartisan, non-profit, civil society organisation and charity headquartered in Ghana, with a mission to bring together the African diaspora and Africa enthusiasts, to promote and preserve African heritage and culture for socioeconomic development, progress and security. We aim to help bring an end to systemic racism around the world through advocacy, education, collaboration and innovation and by providing a richer and more authentic and nuanced narrative of Africa and Africans on the continent and in the diaspora. Our projects prioritise heritage preservation,

youth development, empowerment of women, protection of the environment and actualisation of the UN Sustainable Development Goals.

WHAT WE DO

Our current projects come under **4 thematic areas**:

- Advocating for sustainable heritage preservation for socioeconomic development
- Exhibiting, documenting, digitising, and archiving, tangible and intangible heritage and culture
- Developing resilience and leadership amongst women and youth in Africa and the diaspora
- Creating supportive partnerships and networks to realise our goals

OUTREACH

Through our events, outreach and educational content, both in English and in French, the HACSA Foundation creates fora in which serious debate can take place on how Africa can tell its own stories, develop its own narratives and harness its abundant resources for the improvement of the quality of life of its people, both in Africa and the Diaspora. Our flagship event is the HACSA Homecoming Summit, which creates a homecoming and networking experience for Africans in the diaspora and links Africanists and Africa enthusiasts with public, private and civil society sectors in Africa.

JOIN OUR SANKOFA NETWORK

We extend the kinship and sense of community experienced at our Homecoming Summits to the HACSA Sankofa Network (HSN), a membership organisation which we are actively growing. We currently have HACSA representatives in the USA, the Caribbean, Canada, France, the UK and a number of African countries. Membership subscriptions, gifts and donations made to HACSA Inc. our sister organisation registered in the USA, are tax deductible.
